Web	HTML – CSS, PHP, JavaScript, MySQL, Nginx	<i>My website: olvrqs.com</i>
Software	Office, Android Studio	
Tools	LaTeX, Git, Scikit-learn	
Others	Linux, Network management	

LANGUAGES

French	Native language
English	Fluent (TOEFL iBT: 105/120)
Chinese	Beginner (HSK1 validated)

ABOUT ME

I am passionate about technology and I love to learn how to use new tools and to embark on various projects. At Eurecom (2017 – 2018), I was part of the NOPS team, a small group of students solving CTF challenges for fun. I also enjoy reading, playing table tennis and going to the movies. I have tried to conciliate my likings for cinema and computing on my website where, among other things, I maintain updated a SQL database of movies.
